**Re: Yoel Weisshaus v. The Port Authority of New York and New Jersey, et al.
Civil Action No.: 1:21-cv-02062-ENV-SJB**

Dear Judge Vitaliano:

This office represents defendant, The Port Authority of New York and New Jersey (the Port Authority) in this action, and I am the assigned attorney. I am writing to respectfully request an extension of time from June 24, 2021 to July 23, 2021 to respond to the Summons and Complaint. This additional time is required due to the demands of my current workload, and to investigate the allegations in the Complaint, which appears to have been served on June 3, 2021. The Complaint alleges a civil rights action under 42 USC 1983 arising out of a traffic summons issued to plaintiff in January 2019 on Staten Island by unknown Port Authority police officers, which was returnable in Municipal Court, Bayonne New Jersey

This is the Port Authority's first request for additional time and this extension does not affect any other scheduled dates. However, plaintiff's counsel, Levi Huebner, has advised the undersigned that he does not agree to the extension.

Respectfully submitted,

_____
